

Holy Trinity

Roman Catholic Parish

December 19, 2021
4th Sunday of Advent

"As soon as I heard the sound of your greeting, the child in my womb leaped for joy." (Luke 1:44)

When you hear the scripture readings and Gospel reading at Mass, do you "leap for joy?" If not, don't blame the lecturer or priest, rather look inside yourself. What are you doing to grow in friendship with Jesus? How do you prepare for Mass each week? Or, do you just show up and expect to be entertained? As the Body of Christ, we are called to be active participants, not just passive observers.

Did you know... when the original treaties were drawn up between the Canadian government and the First Nations people of the prairies, neither party negotiated and agreed that residential schools be established. Instead, The First Nations negotiated for schools on their reserves where their languages and cultures were the main components of the curriculum along with learning the English language and math so that their children could work alongside the newcomers and their children.

Lighthouse Media Centre books \$7 in the Holy Trinity Gathering area. Featuring Into His Likeness by Dr. Edward Sri who intertwines engaging prose and relatable stories with biblical wisdom and the lives of the saints. We are reminded that the saints were not always perfect, but works in progress—the earliest disciples are models not of perfection but of a process. And it's that process that Jesus wants to reproduce in our lives today. [Book Preview](#)
