Parish “Pictorial” Photo Directory

Holy Trinity family, One of the best ways to get to know our fellow parishioners is to have a picture of them along with their name. It has been 10 years since our parish has gathered photos and published them in a book. The time to do it again is now.

The purpose of this project is to not only gather photos of our parish family members, but also to verify data on file and gather missing information including birthdays and anniversaries so Father Gaspar can mention our names during Masses and we, as a parish family, can pray for each other.

We will not be hiring a photography company to take photos as we have done in the past. We will use our own cameras to take photos here and parishioners also can submit photos to the office.

To accomplish this project, a team is needed. If you have an hour or several hours to assist with this project, contact Cynthia Mack, contact info below.

Prayerfully consider joining this project so we can complete it in a timely manner and provide our parish family with a photo directory.
